who needed one more win to qualify for postseason play. Unfortunately for them, the Panthers went home with their season ended.

The Tigers swept the Panthers in three sets, just as they had against all but one of their opponents before the loss in Farson-Eden. The Tigers won 25-12, 25-16 and 25-14, ending the Panthers' hopes of a post season appearance.

"Our team played very cohesively this game," O'Leary said. "...we realize how lucky we are to have people on the bench who step in and do a great job.

"Not many teams can lose a player like Paige (Powell) and still be able to dominate a game."

Noelle Peterson delivered a strong defense to the team with seven digs, 13 kills and 2 blocks. Martinez had 12 digs, 31 assists and three kills.

"I think we're at a very good spot," McKenzie Powell said. "We had a little bit of a rough game against Farson so I think today, coming together and being united was absolutely wonderful for us coming into regionals.

"Our strength is our unity, playing for each other and our camaraderie on the court," she said.

O'Leary said the team is in a good place going into regionals, but there were still a few areas that the team would work on this week in the lead up to the regionals in Lander, but she is confident in the team's skills as the players enter the post season.

"I think we're sitting pretty good," O'Leary said. "I'm not saying we're going to go out there and beat everybody I'm just saying we're at a good place."

For one player, the next week means uncertainty as to when—or whether—she will be able to help out her teammates during postseason play.

"I'm going to try and practice on Monday, but it depends on pain levels," Paige Powell said. "Hopefully (I can be back in the game) before regionals."

When asked if she thought she'd be ready for state, should the team make it, she said, "definitely."

The West Regional Tournament will be held Oct. 28-29 in Lander. State Finals are the following weekend, Nov. 3-5, in Casper.

toga's Justin Bonner making the game 17-6 Saratoga at half. On the day, Bonner's foot would generate seven points for Saratoga, with four points after touchdowns as well as the field goal.

After the half time ceremony, which had the crowd roaring in support of their seniors and the seniors' families, Wind River came out strong. In the third quarter, the Cougars added a 14-yard passing touchdown, followed by a two point conversion to draw them within three points, 17-14.

Willford described what came next as a turning point. The Panthers failed to do anything with their next possession and punted the ball to the Cougars, who then mounted a dominant drive.

That drive brought the Cougars to the Saratoga one-yard line, and on fourth down the Wind River team opted to go for the jugular instead of taking a chip-shot field goal to tie the game. They weren't counting on the strength of the Panthers' line, which stuffed a

Cougars run for no-gain and gave Saratoga the ball back deep in their own territory.

With help from a few penalties, Schneider engineered a 99-yard touchdown drive spanning two quarters. The drive concluded with a 15-yard touchdown run from Morgan Rempel. Bonner tacked on the point after to make it 24-14.

Later in the fourth, Wyatt Cox would catch an 87 yard touchdown pass from Schneider to cement the Panther lead, but it was the 99-yard, minute-eating march down the field in the third and fourth quarters that truly broke the Cougars' backs.

(Schneider's) coming along really well," Willford said of his sophomore quarterback. Schneider finished the day 5 for 9 for 159 yards and two touchdowns, posting no fumbles or interceptions.

The Panthers didn't spend long relishing their victory, however. Over the weekend, Willford said the team studied film of Upton

Sundance, their first opponent in the playoffs.

Upton Sundance is considered a premier contender in the Wyoming football world, boasting four former all-state athletes, a 14 game win-streak and a state championship title from 2015.

"They're pretty fast and use a pistol formation," Willford said. He said he will try to funnel the Sundance runners into the center of the field, defensively. On offense, Willford said the Panthers will use short slant and out routes to take advantage of the Sundance defensive backs, who tend to give up shorter yardage.

The Panthers will have five hours on the bus en route to their 5 p.m. Oct. 28 game in Upton. Willford said he's seen "some pretty hot and heated chess games on those long bus rides."

Maybe the Panthers will also think about everything they've accomplished this season, though—and everything they can yet do while they're still in pads.
