

A young girl with long brown hair is sitting on a bed, writing a letter to Santa Claus on a piece of paper that is resting on a cardboard box. She is holding a black marker. To her left is a decorated Christmas tree with red and gold ornaments, lights, and a red bow. The scene is warmly lit, creating a cozy holiday atmosphere.

Dear Santa Claus,
My name is Bergen. Thank you for the things you brought me last year. I like my drone and RC car because they drive and fly cool. Can you please get me a pet pig because mine died last year? I was sad that she died. I would like a pair of riding spurs and chaps so I can ride more often. I will have fun with the horses and family and friends. I want my gray and white ranch horse Rosey so I can see her and ride her because she's mine. What kind of cookies would you like? I hope have a

safe trip. Your trip could be snowy so give Rudolf extra carrots to help his nose shine bright. Love, Bergen Love

Dear Santa,
Thank for all the gifts you gave me last year, like that PS5. I have been very good this year. I got good grades and I wasn't mean at all. For Christmas, I would like a fidget spinner. Maybe some Nerf guns, a sled, and a winter facemask to keep my face warm. I promise I will treat my gifts with respect. I think I will love all of these gifts. I hope you have an awesome and safe trip across the globe. You, Mrs. Claus, the reindeer and your elves work very hard. Also, did you like the cookies and milk? Love, Hunter

Dear Santa,
My name is Presley Mae Munson. Thank you for the sewing machine. It is very helpful, I have been very helpful and kind. I swept the floor for my mom even though I didn't have to and I have been sharing with my friends and family. What I want for Christmas is a science kit so that one day I could be a scientist. I will take good care of it and after I'm done I'll put it away. I hope you have a safe trip on the way here and we will have delicious cookies with a warm glass of milk. Your friend, Presley

Dear Santa,
It's me, Jareth. Thank you for the Lego Pokemon balls. I really enjoyed building the mini figures. Thanks for the robotic dinosaur you gave me. When I get home and on the weekends I play with it. I have been helping my mom with cleaning the house. Santa, can I have a Lockness Monster, Thunderbird, Bigfoot and a Bunyip toy please. I will put them somewhere safe in my room. The reason why I want them is because I have been watching MonsterQuest. I would also like three elite trainer boxes please. I will take good care of them. I want them because I love Pokemon. I mean really love. How are you Santa? How is Mrs. Claus, Rudolf and the elves. Do reindeer like candycanes. Please tell me. Do you have dogs. What breed are they. I wish you have a safe trip. Give Rudolf a hug for me please. You are unstoppable on Christmas. You can do it. Love, Jareth
