Councilman McWain made a motion to approve the minutes of the December 6, 2012 Special Meeting as presented, seconded by Councilman Wilcoxson. The motion carried unanimously.

APPROVAL OF THE BILLS: Mayor Pro Tem Welton read the following bills for approval: Accounts Payable: \$97,596.02; Payroll and FICA for 12/17/2012 in the amount of \$59,387.13; and manual checks in the amount of \$231.23 for a total of \$157,214.38.

Councilwoman Howe made a motion to pay Platte River Pizza the amount of \$145.00, seconded by Councilman Wilcoxson. Councilman McWain declared a conflict and abstained. The Motion carried unanimously.

Councilman Wilcoxson made a motion to pay the remainder of the bills in the amount of \$157,069.38, seconded by Councilwoman Howe. The motion passed unanimously.

CORRESPONDENCE: Mayor Pro Tem Welton reported that the council had received a letter submitted by the Platte Valley Chamber of Commerce requesting use of the Saratoga Lake for the Ice Fishing Derby to be held on January 19 and 20, 2012. The letter included a special event application.

Chamber Director Stacy Crimmins indicated that this is the derby's 30th year and to help celebrate they will be bringing back some of the original events including a derby king and queen and women's events.

Mayor Pro Tem Welton requested that Ms. Crimmins get the appropriate signatures on the event application prior to the next council meeting and the council can then take appropriate action on the application.

Mayor Pro Tem Welton read a letter of interest from Richard Hodges to serve on the committee to address town nuisance violations.

Mayor Pro Tem Welton thanked Mr. Hodges for his letter and his interest to assist the committee in addressing nuisance violations and indicated that the council will consider appointments after the first of the year.

ITEMS FROM THE PUBLIC: Royce Kelley addressed the council stating that he had received a call from the newspaper because his name had come up at the last Planning Commission meeting and he was on their agenda that he was on their agenda to be discussed. He would prefer if they were going to discuss him that he be notified and invited to attend the meeting.

Mr. Kelley then read a letter which he had written to the Council after he was told that the Planning Commission would be sending him a letter notifying him that the selling of firewood in residential zones was non-compliant under the current zoning ordinance.

Mr. Kelley included in his letter a number of ordinances that he does not believe are being enforced equally. He would suggest that the Planning Commission verify the compliance of every home occupation as defined in the permitted and special use sections of the zoning sections noted in his letter. He added that everyone not compatible with the ordinances should receive the same compliance letter and he encouraged the council to direct the Planning Commission to verify compliance of every home occupation. Mr. Kelley then added that if the town strictly enforces the zoning ordinances it will create an extreme hardship on the town and the citizens trying to survive in this economy.

Councilman Wilcoxson, council representative to the Planning Commission, stated that he had been suggesting to the Board that they review and make changes to the zoning ordinances because he believes that the zoning ordinances are too restrictive.

Councilman Wilcoxson would like to see the council review the zoning ordinances to better understand some of the concerns that are being brought before them.

Councilman Wilcoxson indicated that he had discussed these issues with Mayor Zeiger and the Mayor indicated he will work with the Planning Commission to begin review of the zoning ordinances beginning in February. The Mayor reminded Councilman Wilcoxson that it will be a slow process as well as a costly process to go through all of the zoning ordinances.

Mr. Kelley stated that he has five home occupations (carpentry, childcare, an internet business and his lawn care business)

which he operates out of his home and added that all are special use zoning and each one of those business require a special use permit.

Mr. Kelley would like to see the Planning Commission hold off on sending the letters if they are going to review the ordinances and perhaps make changes to some of the ones that apply to home occupations.

Councilman Wilcoxson stated that the Planning Commission voted on having Chuck Bartlett draft and mail the letters, however Mr. Bartlett had been ill and has not had an opportunity to mail the letters.

Mr. Kelley was asked by Councilwoman Howe if he had applied for and received the appropriate special use or variance permit to operate his home businesses. Mr. Kelley replied no, he had not done so but that he did not know that it was required that he do so.

Discussion continued on the drafting and mailing of the letters and Glee Johnson questioned the enforcement of the zoning ordinance to which Councilman Wilcoxson responded by reviewing the enforcement of the zoning ordinances. Further discussion continued on the same issue but no action was taken at this time.

COUNCIL COMMENTS: Mayor Pro Tem Welton, in light of the recent school shootings, expressed her deepest sympathy and prayers for the families and friends of those affected by the tragedy.

Mayor Pro Tem Welton then asked Chief Wachsmuth how and if our local schools and local law enforcement were preparing for this type of threat.

Chief Wachsmuth assured the council that the department is working closely with the schools to develop plans and strategies to divert tragedy.

Mayor Pro Tem Welton noted that Mayor Zeiger had committed to help Judge the Saratoga High School Junior Class "We the People" presentations before they had set a date for the competition. Unfortunately the day picked was also the same date as the council meeting and Mayor Zeiger honored his commitment to help judge the competition.
